Sir:

Applicants petition under 37 C.F.R. 1.181(a)(1). An Office Action was mailed on November 5, 2002 for the above noted application, after the proper filing of Applicants' Appeal Brief on August 16, 2002. Since the issuance of the Office Action was contrary to the procedure in the MPEP, Applicants respectfully request withdrawal of the Office Action of November 5, 2002 and reinstatement of the Appeal pursuant to the Appeal Brief filed on August 16, 2002. Applicants have filed with this Petition a Request to Reinstate The Appeal.

Under MPEP 1208.02 (emphasis added), an examiner may reopen prosecution after appeal "to enter a **new ground of rejection** after appellant's brief or reply brief has been filed." However, the Office Action issued by the Examiner did not include a new ground of rejection. Therefore, the Office Action was inappropriate, and Applicants respectfully assert that the Office Action should be withdrawn.
